

# SWOSU Residence Life Plants Tree in Honor of Former SWOSU President

04.27.2010

SWOSU Residence Life Department recently planted a Shumard Oak tree just south of the Memorial Student Center in honor of retired SWOSU President John Hays (center), who is surrounded by residence life advisors and SWOSU employees. Chad Martin, director of the department, said the RAs and student residents wanted to do something that would be long-lasting on the SWOSU campus.
